### **The Aim of the Day**

It is good to be together. First and foremost this day is designed as sabbatical space to meet with each other and with God in pleasant local surroundings. The input on the day will be exploring what a 'root and branch' vision is. This is the broad brushstroke for the vision for CGBC that the leadership have begun working on. It is a chance to hear, worship, pray, be encouraged and empowered. It is for everyone who is seeking to be devoted to God here in Croxley Green Baptist.
